YOUR HELP IS NEEDED

Donald J. Burns Council at the Stony Brook LI Vets Home needs your help to bring Catholic Veterans from their rooms to Sunday Mass on the Fourth Sunday of every month. Many are in wheelchairs and require this assistance. You would not be committing to every 4th Sunday, just the Sundays you are available to volunteer. You would arrive between 9:45 -10am, and assist in transporting those who wish to go to mass. Mass is approximately 10:45 -11:15am. Then you would assist in transporting our Vets back to their respective units, which should be completed by 11:45am. Your family members and friends are also welcome to volunteer for this much needed and appreciated service for our brother knights and other Catholic Vets.

Long-Term Care Plans Offer Peace of Mind

Since its addition to the Order's product portfolio in 2000, long-term care (LTC) insurance has provided the Knights of Columbus with an excellent opportunity to further serve members and their families. And, for our long-term care policy holders in the United States, there's an added bonus. It's called "Provider Pathway," a program offering access to a network of long-term care providers at discounted rates. The network includes discounts on products, such as hearing aids, diabetic supplies, personal emergency response systems, and durable medical equipment, as well as skilled nursing facilities, assisted living, and adult day care.

Eligibility for participation in this program is open to Knights of Columbus long-term care insurance policyholders, their spouses, dependent children, parents and parents-in-law. All providers are fully credentialed and meet state licensing requirements.

If you haven't yet spoken with me about long-term care insurance, you owe it to yourself to do so.

There are a few decisions to make in choosing a "plan" — a comprehensive plan that covers care whether you're at home or in a facility, or one that covers facility only; daily benefit amounts and benefit durations (how much and how long it will last); and the length of the elimination period (waiting period) before benefits kick-in. Having a professionally trained agent — and a brother Knight you can trust — to help guide you through the process is yet another valuable benefit that comes with your membership. Take advantage of it; contact me today.

THE GRAND KNIGHT'S MESSAGE

October, 2014

My Brother Knights,

Once again it is time to install our council officers, and it is also the perfect time to talk about volunteering. Every organization out there is hurting for volunteers. People just don't seem to have the time to volunteer anymore. With our council we have a lot of people who are willing to help work an event, but it is very hard to find people who are willing to plan and run an event.

Every year it gets harder and harder to fill all of the council officer positions. This year we found ourselves without a Deputy Grand Knight at the very last minute. Luckily John Leonardo PGK FDD FCB stepped up to cover the position for one year.

I know I have said it many times before but it is starting to become a very serious problem, if this council is going to survive we need people to step up and become officers. This council has a lot of great members who are willing to give a hand but what we are missing is people who are willing to take the ball and become leaders.

This month we started planning the Knight's October 25th Halloween Party which we will be doing with the Women's Auxiliary. This is going to be a costume party which will be targeted towards families and should be a good time. We are looking for people to volunteer and help with the setup and cooking. If anyone is interested please contact me.

Grand Knight
